# The Prototype

Design of the website is minimalistic with soft colors for the eye. The header of the page is designed by us to match the main idea of the page. To make the viewer interested in our micro-website we included an inspiring quote.

## Rent a bike

The content of the website is focused on inspiring the tourists and city visitors to travel and explore the bicycle-friendly Copenhagen with a bike. On the site there is a page to help people find a place to rent a bike and places to visit with the bike. All you need for a great holiday!

**"Life is like  
riding a bike:  
you don't fall off  
unless you stop  
pedaling"**

- Claude Pepper
